TECH.8.1.12.F.CS1	Identify and define authentic problems and significant questions for investigation.

Enduring Understanding

All businesses inherently deal with contracts. Contracts can be written or unwritten agreements in which parties who enter in to the contract are bound by the details of the agreements. Breaching a contract can cause damages to a person/business including but not limited too financial damages.

Essential Questions

How do I know that I have entered into a binding contract? How can a contract be enforced? What can happen when a contract is breached?

Knowledge and Skills

Students will be able to define a contract
