Unit Pacing Guides

Belleville Public Schools Unit Pacing Guide

Content Area: Science
Course(s): Intro to Engineering
Time Period: Semester

Division of Units / Topics:

Unit Plan 1 One-Dimensional Kinematics / Dynamics / Circular Motion	
Unit Plan 2 Linear Momentum / Work and Energy	

Unit Plan 3 Simple Harmonic Motion; Vibrations; and Waves / Electromagnetic Radiation; and the wave nature of light	
Unit Plan 4 Electric Charge and Electric Field / Electric Potential / Electric Current / DC Circuits / Magnetism
