## Course Overview

English 12 is designed for seniors who wish to pursue a college education, other training or careers. This course emphasizes the skills needed for successful college reading and writing through a number of literary and non-literary mediums. While there are some curricular commonalities, such as reading works of non-fiction, between this course and College Writing Honors, English 12 also offers students the chance to examine more literary works, such as novels, plays, etc. Students enrolled in English 12 will also have the opportunity to take the Accuplacer, an online assessment given to college students as part of the enrollment process.

## Grading and Evaluation Guidelines

---

### GRADING PROCEDURES

Marking period grades are determined by dividing the total number of points earned by the total number of potential points. More intense and involved assessments are worth more points and therefore have a greater effect on a student's grade. Formal and informal writing assignments, responses to text and reading quizzes are frequently assigned.

The department's goal for every course is that a minimum of 95% of the pupils will meet at least the minimum proficiency level (D or better) set for the course. The department will analyze the achievement of students on Unit Assessments, Mid-term and Final Exams and Final Course Grades, and for Final Course Grades the achievement of sub-groups identified by the state to determine if modifications in the curriculum and instructional methods are needed.

In terms of proficiency level the East Brunswick grades equate to:

A	Excellent	Advanced Proficient
B	Good	Above Average Proficient
C	Fair	Proficient
D	Poor	Minimally proficient
F	Failing	Partially Proficient

	Marking Period 1	Marking Period 2	Marking Period 3	Marking Period 4
<b>Homework/Classwork</b>	25%	25%	25%	25%
<b>Assessments</b>	75%	75%	65%	75%
<b>Performance</b>	-	-	10%	-
