Course Overview

COURSE DESCRIPTION

Business and Consumer Law is an elective course offered at the high school level. In Business & Consumer Law, students will learn about basic issues in our legal system that relate to everyday living. Topics explored include how to buy and insure a vehicle, warranty protection for big ticket items, personal property law and bailments. Students will learn what business and consumer law is and how it applies to them. The students will investigate current law cases and terminology, as well as have the opportunity to research legal issues on the Internet. Information learned in this semester long course will prove useful to students as they move through life as consumers. Students are expected to demonstrate proficiency in all CPIs listed. The course also reinforces learning of other standards and CPIs in social studies, technological literacy, career education and family life skills.

Grading and Evaluation Guidelines

GRADING PROCEDURES

In terms of proficiency level the East Brunswick grades equate to:

- A Excellent - Advanced Proficient
- B Good Above Average - Proficient
- C Fair - Proficient
- D Poor - Minimally proficient
- F Failing - Partially Proficient

COURSE EVALUATION

Each quarter students will be evaluated with tests and programming assignments using a total point basis to determine the quarter average. The semester/course average will be a weighted average of the 2 quarter averages (40% each) and a final exam (20%); in a full year course, each quarter is worth 20% of a student's

final grade and each exam (midterm & final) is worth 10% of the student's final grade.

Course achievement will be evaluated based on the percent of all pupils who achieve the minimum level of proficiency (final average grade) in the course. Student achievement levels above minimum proficiency will also be reported. Final grades, and where relevant mid-term and final exams, will be analyzed by staff for the total cohort and for sub-groups of students to determine course areas requiring greater support or modification.)
