Course Overview

COURSE DESCRIPTION

Logo Design & Branding will explore the core concepts of the design process as it relates to the world of graphic design careers. Students explore concepts like Typography, Color Theory, Movement, General Aesthetics, and Package Design. The course will delve into the Designer / Client relationship through interviews, research, and collaboration with other students and classes, culminating in a comprehensive, custom Design Brief for their “client”. Students will utilize the Adobe Creative Suite to execute their design ideas, including InDesign, Illustrator, and Photoshop.
