Course Overview

The Level **AP Spanish Literature** curriculum is designed to enable learners to meet the Intermediate-High Level of proficiency with some characteristics of Advanced Low as defined by the American Council on the Teaching of Foreign Languages and the New Jersey Student Learning Standards. The Standard of World Languages, which addresses communication, culture, connections, comparisons and communities is integrated into instruction. Each thematic unit addresses all modes of communication set forth by the NJ State Student Learning Standards for World Languages. The course also reinforces and contributes to the development of other standards in the areas of Career Readiness, Life Literacies, and Key Skills, Computer Science and Design Thinking, Visual and Performing Arts, Language Arts Literacy, and Social Studies. The course is designed to prepare students for the AP Spanish Literature Examination.

The Advanced Placement course is designed to meet the needs of students who plan to prepare for the Advanced Placement examination in Spanish Literature. Emphasis is placed on developing a high level of proficiency in the spoken and written language on literary works from all Spanish-speaking countries. This course continues to develop students' interpersonal, interpretive and presentational language competencies that can be applied to a variety of communicative and cultural functions. Students will continue to compare and contrast the target language and culture with their own, thus enhancing students' insights into the nature of Spanish literature.

The AP course is designed for highly-skilled, highly-motivated students with an outstanding background in Spanish language and have completed Spanish AP Language and Literature. Students are encouraged to take the AP Spanish Literature Examination.

Grading Procedures and Evaluation

GRADING GUIDELINES

In accordance with Board policy, grades are assigned each quarter. A final grade is determined and transcribed for courses at grades 6 – 12. In terms of proficiency the East Brunswick grades are as follows:

A	Excellent	Advanced Proficient
B	Good	Above Average Proficient
C	Fair	Proficient
D	Poor	Minimally Proficient
F	Failing	Partially Proficient

Grades will be determined by a variety of assessment strategies. In addition to interpretive, interpersonal and presentational performance assessments, students will be evaluated on cooperative group participation, note-taking, open-ended question responses, interpersonal conversations, ePortfolios and/or supplemental projects.

Grading Weights for Quarter Grades

10% Homework

10% Classwork/Participation

30% Presentational and interpersonal speaking

50% Interpretive and presentational writing

Final grades are weighted as follows:

Each quarter is 20% of the final grade. The midterm is 10% of the final grade, and the final exam is 10 % of the final grade.

Midterm exam grades are averaged into the second marking period and final exam grades are averaged into the fourth marking period. The final grade for the course is the average of the four marking period grades.

COURSE EVALUATION

Course achievement will be evaluated annually. In this course the goal is that a minimum of 95% of the pupils will meet at least the minimum proficiency level (D or better) set for the course. The department will analyze the achievement of students on unit assessments and final course grades and for final course grades the achievement of sub-groups identified by the state to determine if modifications in the curriculum and instructional methods are needed.
