## **Course Overview**

---

The Level **Spanish V** curriculum is designed to enable learners to meet the Intermediate-Low Level of proficiency as defined by the American Council on the Teaching of Foreign Languages and the New Jersey Student Learning Standards. It is designed to move students along the proficiency continuum from Novice-High to Intermediate-Low. The Standard of World Languages, which addresses communication, culture, connections, comparisons and communities, is integrated into instruction. Each thematic unit addresses all modes of communication set forth by the NJ State Student Learning Standards for World Languages. The course also reinforces and contributes to the development of other standards in the areas of Career Readiness, Life Literacies, and Key Skills, Computer Science and Design Thinking, Visual and Performing Arts, Language Arts Literacy, and Social Studies.

## **Grading Procedures and Evaluation**

---

### **GRADING GUIDELINES**

In accordance with Board policy, grades are assigned each quarter. A final grade is determined and transcribed for courses at grades 6 – 12. In terms of proficiency the East Brunswick grades are as follows:

|          |                  |                                 |
|----------|------------------|---------------------------------|
| <b>A</b> | <b>Excellent</b> | <b>Advanced Proficient</b>      |
| <b>B</b> | <b>Good</b>      | <b>Above Average Proficient</b> |
| <b>C</b> | <b>Fair</b>      | <b>Proficient</b>               |
| <b>D</b> | <b>Poor</b>      | <b>Minimally Proficient</b>     |
| <b>F</b> | <b>Failing</b>   | <b>Partially Proficient</b>     |

Grades will be determined by a variety of assessment strategies. In addition to interpretive, interpersonal and presentational performance assessments, students will be evaluated on cooperative group participation, note-taking, open-ended question responses, interpersonal conversations, ePortfolios and/or supplemental projects.

### **Grading Weights for Quarter Grades**

10% Homework

10% Classwork/Participation

30% Presentational and interpersonal speaking

50% Interpretive and presentational writing

Final grades are weighted as follows:

Each quarter is 20% of the final grade. The midterm is 10% of the final grade, and the final exam is 10 % of the final grade.

Midterm exam grades are averaged into the second marking period and final exam grades are averaged into the fourth marking period. The final grade for the course is the average of the four marking period grades.

## **COURSE EVALUATION**

Course achievement will be evaluated annually. In this course the goal is that a minimum of 95% of the pupils will meet at least the minimum proficiency level (D or better) set for the course. The department will analyze the achievement of students on unit assessments and final course grades and for final course grades the achievement of sub-groups identified by the state to determine if modifications in the curriculum and instructional methods are needed.
