Course Overview

The Kindergarten Art Curriculum serves as the foundation for the District’s K-12 Art program. The elements of Art (color, line, texture, shape and form) are introduced and reinforced through hands-on projects and other classroom experiences. Students develop fine motor control and eye-hand coordination as they explore art media as a means of creative expression. They become acquainted with the works of various artists and verbalize their ideas. Emphasis is placed on aesthetics, production, art history, criticism, as well as visual literacy, creative problem solving and adherence to the New Jersey Student Learning Standards for Visual and Performing Arts.

East Brunswick Elementary Visual Arts Program is designed to fulfill the NJSL/CPI’s requirements. The program promotes visual literacy and creative thinking through studies in aesthetics, art history, and art criticism as well as through studio experience/production.
