### **COURSE EVALUATION**

In Instrumental Music (Strings) 4 & 5, a minimum of 95% of all pupils will achieve at least minimum proficiency (2 or better) relative to the NJSLS set for this course. The department will review student achievement at all levels of proficiency relative to marking period grades, and if necessary, the individual Units and assignments comprising these grades. Student achievement will further be analyzed to compare the achievement of the total enrollment vs. sub-groups to determine course areas requiring greater support or modification. As a result of the analysis, decisions will be made concerning modifications to course content and/or instructional methodology.
