The following musical elements are addressed: Rhythm, melody, harmony, form, expression, timbre/tone color, vocal technique, music history and culture. The New Jersey Student Learning Standards for Visual and Performing Arts provide cumulative Progress Indicators, defining the desired level of understanding or skill that should be achieved. Over the course of Grade 4, students will continue to develop and refine skills through a wide array of activities such as singing, creative movement, rhythmic games, folk dances, playing instruments, improvisation, and composition.

Grading and Evaluation Guidelines

GRADING PROCEDURES

In terms of proficiency level the East Brunswick grades equate to:

- +: **Special Commendation**
- ✓: **Steady Progress**
- -: **Needs Improvement**

Assessments of student progress are reported to parents as follows:

- Parent conferences are held twice a year
- Standards-based report cards are sent home four times a year
- Students are evaluated through a variety of assessments. Specific Music skills are outlined and assessed both informally in verbal and written form.

COURSE EVALUATION

In Elementary Music Grade Four, the goal is that a minimum of 95% of all pupils will achieve at least minimum proficiency (S or better) relative to the NJSL set for this course. The department will review student achievement at all levels of proficiency relative to marking period grades, and if necessary, the individual components and assignments comprising these grades. Student achievement will further be analyzed to compare the achievement of the total enrollment vs. sub-groups to determine course areas requiring greater support or modification. As a result of the analysis, decisions will be made concerning modifications to course content and/or instructional methodology.
