Financial Literacy Integration

1. The State Board of Education shall require that a school district incorporate in each of the grades ¹[kindergarten] six¹ through eight financial literacy instruction to pupils enrolled in those grades. The purpose of the instruction shall be to provide ¹[elementary and]¹ middle school students with the basic financial literacy necessary for sound financial decision-making.

The instruction shall meet the requirements established by the State board and shall:

- a. be appropriate to, and reflect the age and comprehension of, the students enrolled in the particular grade level; and
- b. include content on budgeting, savings, credit, debt, insurance, investment, and other issues associated with personal financial responsibility as determined by the State board.

Instructional Strategies & Learning Activities

1. Perform with proper dynamics and articulation. ^[L]_[SEP]
 1. The teacher will demonstrate proper phrasing and students will emulate.
 2. Recordings provided to demonstrate how dynamics and articulation can be used to create a specific style from either a historical era or cultural context.
2. Understand where the high and low points in a phrase are and use dynamics accordingly. ^[L]_[SEP]
 1. The teacher will use various conducting techniques to get the students to phrase correctly. ^[L]_[SEP]
3. Memorize basic phrasing rules and apply them in music.
4. Memorize styles of different cultures and historical eras.
5. Students will sing through a piece, followed by a quiz on what time period and/or culture it originated.
6. Students will be given a piece and asked to sing it in a certain style.
7. Students will read aloud a passage from a text while being evaluated on expressiveness/ creativity.

Closure

- Have kids orally describe a concept, procedure, or skill in terms so simple that a child in first grade would get it.
- The entire student ensemble performs a section of the repertoire. Introspectively they assess their competency on that section.
- Students perform their selection in a small quartet/octet/section. The remaining students listen and provide 2 things they did well, and 2 things they need to improve.

ELL

- Alternate Responses
- Extended Time
- Teacher Modeling
- Simplified Written and Verbal Instructions
- Frequent Breaks
- E-Dictionaries
- IPA pronunciation guides

Special Education

- Shorten assignments to focus on mastery of key concepts.
- Specify and list exactly what the student will need to learn to pass.
- Evaluate the classroom structure against the student's needs (flexible structure, firm limits, etc.).
- Keep workspaces clear of unrelated materials.
- Keep the classroom quiet during intense learning times.
- Reduce visual distractions in the classroom (mobiles, etc.).
- Provide a computer for written work.
- Seat the student close to the teacher or a positive role model.
- Provide an unobstructed view of the whiteboard, teacher, movie screen, etc.
- Keep extra supplies of classroom materials (pencils, books) on hand.
- Maintain adequate space between seats.
- Give directions in small steps and in as few words as possible.
- Number and sequence the steps in a task.
- Have student repeat the directions for a task.
- Provide visual aids.

- Go over directions orally.
- Provide a vocabulary list with definitions.
- Permit as much time as needed to finish tests.
- Allow tests to be taken in a room with few distractions (e.g., the library).
- Divide tests into small sections of similar questions or problems.
- Stand near the student when giving directions or presenting a lesson.
- Permit a student to rework missed problems for a better grade.
- Average grades out when assignments are reworked, or grade on corrected work.

504

- preferential seating
- extended time on tests and assignments
- verbal, visual, or technology aids
- behavior management support
- excused lateness, absence, or missed classwork
- pre-approved nurse's office visits and accompaniment to visits
