**Over-all HMHS Art Dept. Vision/** The Haddonfield Public School's visual arts curriculum is designed as a continuum from pre-kindergarten through the twelfth grade building creativity, self-expression, intuitive thought and visual literacy. They seek to offer student sustained practice in problem solving familiarity, encourage risk-taking, experimentation empowering students and fostering critical thinking across a range of disciplines. The Haddonfield Art Department wants students, in their enduring futures, to see the relevance and critical nature of the making process.

Haddonfield Art Educators vision is to offer students a diverse curriculum that will give students opportunities to develop their artistic potential and socioemotional well-being, as well as their interest in art. Through flexibility and encouragement as well as careful attention to criteria in the classical approach to Art Education, we offer our students opportunities to find their creative power.

In nurturing the imagination of our students, we are simultaneously fostering their cognitive development. Yet, art experiences reach far beyond cognitive growth. We want students to create work which speaks of their personal voice. We want to become The Art Program reputable for being able reaching into the heart of our students and helping them develop their spirit of creativity which inevitably befalls into their character, thus impacting their connections with the world.

### Model

Responding to Cultural Traditions with Three Dimensional Materials and Methods	2	4
Painting Fundamentals	2	3
Making Connections to Specific Artists Throughout History	2	2

## Unit Overview

---

Students will focus on learning about how cultural traditions are expressed through three dimensional art mediums. Students will make connections to artists throughout history by learning different painting techniques. Students will develop an understanding that artists can be categorized into specific art movements and art genres.

## Enduring Understandings

---

- Active participation in the arts leads to a comprehensive understanding of the imaginative and creative process.
- The creative process includes practice and understanding of art fundamentals, including painting techniques.
- An understanding of the elements and principles of art is essential to the creative process and artistic production.
- Aesthetic knowledge stimulates judgment and imagination empowering students to interpret, appreciate and extract meaning from the arts.
- Cultures use a variety of three dimensional materials to create traditional works of art.

## Essential Questions

---

- How is three dimensional art different from two dimensional art?
- How do artists express their cultural traditions using three dimensional materials?
- What techniques do artists use to create these three dimensional pieces (weaving, building, etc.)
- How can I use these techniques to create a piece of artwork on my own?
- What are some significant artists throughout history?
- How are artists categorized into specific art genres?
- How can I use painting techniques to create a successful composition?
- How can I mix paint to create different colors successfully?

- I can create a three dimensional piece of artwork that uses traditional methods.
- I can identify several significant artists and their work.
- I know that artists are categorized into different art genres.
- I can identify several art genres and artists that are part of those genres.
- I know that painting techniques differ depending on what specific material I use (solid tempera, liqued tempera, watercolor, oil, acrylic, etc.).
- I can create a painting by using specific painting techniques and methods appropriately.

### **Differentiated Instruction**

---

- Learning preferences integration (visual, auditory, kinesthetic)
- Meaningful Student Voice & Choice
- Self-Directed Learning
- Mastery Learning (feedback toward goal)
- Goal-Setting
- Grouping
- Rubrics
- Concept Attainment
- Student Interest

## **Formative Assessments**

---

- Analyzing students work
- Strategic questioning
- Think-pair-share
- Classroom polls
- Thumbs up, Thumbs down

## **Summative Assessment**

---

- Exhibitions of student work
- Portfolios
- Rubric Check Ins

## **Benchmark Assessments**

---

## **Alternate Assessments**

---

## **Resources & Technology**

---

- Brainpop
- Discovery Education
- UNESCO World Heritage Center website
- Power Point/Image Viewing
- Story books that discuss specific cultural traditions ("Dia De Los Muertos", "The Spider Weaver", etc.)

## **BOE Approved Texts**

---

## **Closure**

---

- Gallery Walk
- Sequence It - create timelines of major events/methods discussed
