

Unit 8: Country and City living

Content Area: **World Language**
Course(s): **Spanish 2 & the Latino Culture**
Time Period: **May**
Length: **19 days**
Status: **Published**

Unit Overview

Learning to communicate in a foreign language is a necessary skill for intermediate learners and involves learning how to talk about life in the city and the country. Give and ask for directions while in the city or country. Students will also be able to talk about things that were happening, and refer to things already mentioned. Students will also be exposed to some famous Spanish speaking cities and their people.

Essential Questions

- How do I develop communicative competence?
- How do I know that I am getting better in using language in real-world situations?
- What strategies do I need to communicate in linguistically and culturally appropriate ways?
- When does accuracy matter?
- How does the content of the world languages classroom help me understand who I am and the world in which I live?
- How does content help me respond to important questions that extend my learning beyond the classroom?
- Why do people from different cultures sometimes say, write and do things differently from the way I do them?
- How is language a product of culture?
- How are cultural perspectives (attitudes, values and beliefs) reflected in a culture's products and social practices?
- What role does stereotyping play in forming and sustaining prejudices about other cultures?

Enduring Understandings

- Successful communication is knowing how, when and why to convey a message to different audiences.
- Language learning involves acquiring strategies to fill communication gaps
- The content of the world languages classroom encompasses the entire learning experience
- Learning a different language/culture leads to greater understanding of one's own and other languages/cultures and why people think and act in different ways.
- Cultural perspectives are gained by using the language and through experience with its products and practices and members of one culture may make assumptions about other cultures based on their own attitudes, values and beliefs

Standards/Indicators/Student Learning Objectives (SLOs):

- Identify words/phrases, key points, and main idea(s) in target language age- and level-appropriate culturally authentic materials as found in electronic information sources and other texts.
