## **Vertical Integration- Discipline Mapping**

Previous Literacy and Dramatization skills were developed in Pre-K. Kindergarten continues the use of the Comprehension Strategies learned in Pre-K and deepens the level of Dramatization for understanding. Scaffolded Writing levels progress toward traditional writing used in the Primary Grades. Science observational skills which began in Pre-K as Science Eyes continue to develop in Kindergarten through experiments in the Science Observation Station. Students will begin to develop an awareness of

other cultures and time, past and present.
