

Unit 9 Preparing Payroll Records

Content Area: **Business Education**
Course(s): **Accounting 1**
Time Period: **May**
Length: **8 Blocks**
Status: **Published**

Enduring Understandings

As a businesses owner,. One should have a good filing system for their payroll records to help organize, store and retrieve the data.

As a business owner it is important to understand the Internal Revenue tax code for payroll. Businesses who do not comply with these regulations could struggle to pay the penalties and interest associated with their errors.
