## Essential Questions

---

- What tasks are necessary to maintain an appropriate level of independent living?
- What are appropriate appliances/furniture to obtain and be able to use in your living environment?
- How are appliances and furniture used correctly and safely?
- What steps are needed to maintain your daily living environment?
- What skills are necessary to successfully travel to potential job sites and CBI trips?

## Content

---

- Will be chosen and/or designed based on the individual needs of each student. When choosing content, consideration will be given to each student's current level of functioning as demonstrated through observation, interviews and standardized assessments such as the Washington State Life Skills Inventory Independent Living Assessment Tool, Ohio's Employability and Life Skills Assessment and the Assessment of Financial Skills and Abilities.
- Instruction will be differentiated with multiple entry points for diverse learners. The low ratio of teacher to students, in this class provides for each student's individual needs to be met and for the lesson to change to meet the needs of individual learning styles as the lesson progresses.

Topics will include the following:

- Identifying unsafe situations and choosing appropriate ways to reduce or eliminate risks contributes to

the safety of self and others.

- Staying healthy is a lifelong process that includes all dimensions of wellness.
- Many health-related situations require the application of a thoughtful decision-making process.

## Skills

---
