## Transfer

---

The 1950s were marked by growing tensions abroad, and the 1960s were marked by growing tensions at home. The civil rights movement had grown during the 1950s, but it surged during the 1960s. The movement resulted in significant changes in law in the United States at the local, state, and national level. Gigantic new government programs reformed American life in significant ways.

## Enduring Understandings

---

- Activism and a series of Supreme Court decisions advanced equal rights for African Americans in the 1950s and 1960s.
- Civil Rights activists broke through racial barriers. Their activism prompted landmark legislation.
- Disagreements among civil rights groups and the rise of black nationalism created a violent period in the fight for civil rights.

## Essential Questions

---

- What were the effects of the Supreme Court decision Plessey v. Ferguson?
- How did the Brown decision affect schools?
- Why weren't schools in all regions desegregated immediately after the Brown II decision?
- Why was Rosa Parks significant?
- What did the freedom riders hope to achieve?
- Why did civil rights groups organize the Freedom Summer?
- What were some accomplishments of the civil rights movement?
