Unit 2: The Classical Pantheon

Content Area: World Languages

Course(s):

Time Period: September
Length: 5 Blocks
Status: Published

Enduring Understandings

The Gods of ancient cultures reflect the overarching attitudes of the time. Cultural tradition and individual responsibility are often addressed and sometimes reconciled through the myths of a culture. The attributes, attitudes, and interactions of classical gods display universal and specific cultural concerns. While the elements of classical mythology are tied to the core values and experiences of its origin, they may also be applied to society today.

Essential Questions

How does the Greek pantheon reflect the overall outlook of its culture? How does classical mythology reconcile individual responsibility with responsibility to society? In what ways does classical mythology suggest humanity embrace and/or rebel against cultural tradition? What lessons can we learn from the study of ancient Greek mythology that can be applied today to address social and ethical attitudes?

Content

This unit will introduce students to the Greek pantheon and classical mythology so that they will be able to identify two purposes of mythology as maintaining order in society and preserving cultural ideals. The big ideas embedded through this unit are:

The classical Greek pantheon of gods reflects the overall outlook of its culture Classical mythology provides models for individuality and accountability in society. The interactions explored in myths between the classical Gods and Goddesses themselves. Even if myths aren't real, they reflect real social and ethical concerns throughout time.

Skills

Identify the members of the classical pantheon. Explain the significance of the relationships between and among the Greek gods and goddesses as a reflection of the ancient culture's social structure and prevailing attitudes. Analyze the interactions between gods and men and the message such relationships and interactions portray about personal and societal responsibility. Evaluate current societal concerns and use classical stories to offer solutions that address them.

Unit 2 Latin Vocabulary

- humanitas- culture
- homo- man (species)
- vir- man
- femina- woman
- puer- boy
- puella- girl
- infans- infant
- Pantheum- Pantheon
- etas- period of time
- tempus- time
- dea- goddess
- deus- god
- fama- reputation
- traditio- tradition
- fabula- story, myth
- societas- society
- culpa- responsibility, blame
- adfinitas- relationship (marriage)
