

# Unit 9: Exploring Other Materials

Content Area: **Art**  
Course(s):  
Time Period: **June**  
Length: **8 blocks**  
Status: **Published**

## **Transfer**

---

**Students can choose to work with a variety of conventional and unconventional materials**

## **Enduring Understandings**

---

Artists experiment with a variety of conventional and unconventional materials

Art reflects the time period, culture, geography, and status of a region's inhabitants.

Artists have the ability to choose subject matter, symbols, and ideas as well as materials for the basis of personal expression

Self-expression and personal identity come from making individual artistic choices.

## **Essential Questions**

---

How do different techniques, media, and processes affect self expression

What makes an artwork successful or unsuccessful?

How do criteria influence personal artistic growth?

## **Skills**

---

-  
Describe, analyze, interpret and evaluate works of art through critical writing.

Create original art using found objects and/or recycled materials.

Examine various art movements and specific artists works relating to assemblage and unconventional art based art.

Apply the elements and principles of art and design to two and three-dimensional projects.

Make personal artistic choices in the creation of works of art.  
Develop and plan initial sketches for finished projects.  
Design, redesign, and synthesize possible solutions throughout the artistic process.  
Create an Artist's statement  
Summarize and defend choices and ideas in the creation of original artworks.  
Demonstrate a respect for the care of tools, equipment, supplies, through known safety practices.  
Demonstrate the reasonable amount of time in the completion of a project.

## Description

- 0x CRP.K-12.CRP1.1 Career-ready individuals understand the obligations and responsibilities of being a member of a community, and they demonstrate this understanding every day through their interactions with others. They are conscientious of the impacts of their decisions on others and the environment around them. They think about the near-term and long-term consequences of their actions and seek to act in ways that contribute to the betterment of their teams, families, community and workplace. They are reliable and consistent in going beyond the minimum expectation and in participating in activities that serve the greater good
- 0x CRP.K-12.CRP2.1 Career-ready individuals readily access and use the knowledge and skills acquired through experience and education to be more productive. They make connections between abstract concepts with real-world applications, and they make correct insights about when it is appropriate to apply the use of an academic skill in a workplace situation.
- 0x CRP.K-12.CRP4 Communicate clearly and effectively and with reason. Career-ready individuals understand the interrelated nature of their actions and regularly make decisions that positively impact and/or mitigate negative impact on other people, organization, and the environment. They are aware of and utilize new technologies, understandings, procedures, materials, and regulations affecting the nature of their work as it relates to the impact on the social condition, the environment and the profitability of the organization.
- 0x CRP.K-12.CRP5.1
- 0x CRP.K-12.CRP6.1 Career-ready individuals regularly think of ideas that solve problems in new and different ways, and they contribute those ideas in a useful and productive manner to improve their organization. They can consider unconventional ideas and suggestions as solutions to issues, tasks or problems, and they discern which ideas and suggestions will add greatest value. They seek new methods, practices, and ideas from a variety of sources and seek to apply those ideas to their own workplace. They take action on their ideas and understand how to bring innovation to an organization.
- 0x CRP.K-12.CRP8.1 Career-ready individuals readily recognize problems in the workplace, understand the nature of the problem, and devise effective plans to solve the problem. They are aware of problems when they occur and take action quickly to address the problem; they thoughtfully

		investigate the root cause of the problem prior to introducing solutions. They carefully consider the options to solve the problem. Once a solution is agreed upon, they follow through to ensure the problem is solved, whether through their own actions or the actions of others.
0x	LA.K-12.NJSLSA.L1	Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
0x	LA.K-12.NJSLSA.L2	Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
0x	LA.K-12.NJSLSA.R2	Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas.
0x	LA.K-12.NJSLSA.R3	Analyze how and why individuals, events, and ideas develop and interact over the course of a text.
