## Unit Description

---

### Stage 1-- Desired Results

#### Unit Purpose:

In 11-12th grade, teachers will teach the same standards from 9th and 10th grade but will increase the rigor. 11th grade teachers will teach the skills based on the explicit standards and 12th grade teachers refresh/review those same skills from the year prior to check for complete understanding. 11th grade students main focus will be to write fictional narratives according to the hero's journey archetype.

**Established Goals:** To write fictional narratives

**New Jersey Student Learning Standards:** English Language Arts Grades 11 and 12

#### Explicit:

W.11-12.3. Write narratives to develop real or imagined experiences or events using effective technique, well chosen details, and well-structured event sequences.

1. Engage and orient the reader by setting out a problem, situation, or observation and its significance, establishing one or multiple point(s) of view, and introducing a narrator and/or characters; create a smooth progression of experiences or events.
2. Use narrative techniques, such as dialogue, pacing, description, reflection, and multiple plot lines, to develop experiences, events, and/or characters.
3. Use a variety of techniques to sequence events so that they build on one another to create a coherent whole and build toward a particular tone and outcome (e.g., a sense of mystery,

suspense, growth, or resolution).

4. Use precise words and phrases, telling details, and sensory language to convey a vivid picture of the experiences, events, setting, and/or characters.
5. Provide a conclusion that follows from and reflects on what is experienced, observed, or resolved over the course of the narrative.

W.11-12.5. Develop and strengthen writing as needed by planning, revising, editing, rewriting, trying a new approach, or consulting a style manual (such as MLA or APA Style), focusing on addressing what is most significant for a specific purpose and audience.

L.11-12.1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.

1. Apply the understanding that usage is a matter of convention, can change over time, and is sometimes contested.

L.11-12.2. Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.

1. Observe hyphenation conventions.
2. Spell correctly.

L.11-12.3. Apply knowledge of language to understand how language functions in different contexts, to make effective choices for meaning or style, and to comprehend more fully when reading or listening.

1. Vary syntax for effect, apply an understanding of syntax to the study of complex texts.

**Implicit:**

W.11-12.4. Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience. (Grade-specific expectations for writing types are defined in standards 1–3 above.)

W.11-12.6. Use technology, including the Internet, to produce, share, and update individual or shared writing products in response to ongoing feedback, including new arguments or information.

W.11-12.10. Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of tasks, purposes.

L.11-12.4. Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grades 11–12 reading and content, choosing flexibly from a range of strategies.

1. Use context (e.g., the overall meaning of a sentence, paragraph, or text; a word's position or function in a sentence) as a clue to the meaning of a word or phrase.
2. Identify and correctly use patterns of word changes that indicate different meanings or parts of speech (e.g., conceive, conception, conceivable).
3. Consult general and specialized reference materials (e.g., dictionaries, glossaries, thesauruses), both print and digital, to find the pronunciation of a word or determine or clarify its precise meaning, its part of speech, its etymology, or its standard usage.
4. Verify the preliminary determination of the meaning of a word or phrase (e.g., by checking the inferred meaning in context or in a dictionary).

L.11-12.5. Demonstrate understanding of figurative language, word relationships, and nuances in word meanings.

1. Interpret figures of speech (e.g., hyperbole, paradox) in context and analyze their role in the text.
2. Analyze nuances in the meaning of words with similar denotations.

L.11-12.6. Acquire and use accurately general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, and listening at the college and career readiness level; demonstrate independence in gathering vocabulary knowledge when considering a word or phrase important to comprehension or expression.
