Body Systems

Enduring Understandings

By acquiring knowledge of our body systems we are able to make healthy and active lifestyle choices.

By acquiring knowledge of what and how health problems occur to each body system we can make proper choices.

By understanding risk factors that cause disease we can help prevent them.

Essential Questions

How do my body systems interact to determine my overall health and wellness?

What are ways to prevent disease and injury to my body systems

Content

Respiratory system

Nervous system

Digestive System

Muscular System

Lymphatic System
