Status: **Published**

Enduring Understandings

- Artists and designers experiment with forms, structures, materials, concepts, media, and art-making approaches.
- Artists and designers balance experimentation and safety, freedom and responsibility, while developing and creating artworks.
- Art is an inherent and integral part of our environment.
- Every person is an artist.
- An individual's informed choice and appropriate application of media, techniques and/or processes enhance personal expression and determine the quality of art.
- An individual's ability to choose subject matter, symbols, and ideas as a basis for personal expression enhances the visual communication of ideas.
- Self-expression and personal identity come from making individual artistic choices.
- The arts relate to all aspects of learning in relationship to the practical characteristics of daily life and enhances the ability to make connections

Essential Questions
