Enduring Understandings

Learning a different language/culture leads to greater understanding of one's own language and culture.

Language learning involves acquiring strategies to fill communication gaps.

Cultural perspectives are gained by using the language and through experience with its products and practices.

One can learn about another culture and language and understand its beliefs and customs through traveling there.

Essential Questions

How can I become a more effective reader, writer, speaker and listener in languages other than English?

How does the language I'm studying help me to better understand my native language?

What can I already communicate in my new language?

How do we get from one place to another?

How are common travel practices in my country similar and/or different to the travel practices in other countries?
