## **Enduring Understandings**

---

An emergency is a situation in which an adult needs to assist you either in person or through calling 9-1-1

First aid is a response to an injury.

Being educated on what everyone's role is in an emergency will help the situation stay calm.

## **Essential Questions**

---

What are examples of emergency situations that require the help of an adult?

How do I know what to do in the event of an emergency at school, home, or in public places?

## **Skills**

---

Describe situations in which first aid needs to be administered.

Create an emergency plan for safety and first aid at school, home, and public places.

List the steps in responding to an emergency situation or a situation that requires first aid.

Role-play emergency situations.
