Content Area: **World Languages**
Course(s):
Time Period: **September**
Length: **10 weeks**
Status: **Published**

Enduring Understandings

It is surprisingly important to listen and observe actively when learning another language.

They have to be able to do more than answer questions in order to have a conversation.

They can help classmates and the teacher understand them by using actions and pictures as well as words.

Essential Questions

- How can I better understand when I do not know everything I hear?
- How can I talk to someone in another language when I am just starting to learn it?
- What will help my classmates, my teacher, and others understand me better?
