

Unit 4: Sectionalism and the Seeds of the American Civil War

Content Area: **Social Studies**
Course(s): **AP U.S. History**
Time Period: **December**
Length: **6 weeks**
Status: **Published**

Enduring Understandings

Sectional and regional differences helped bring the slavery crisis to a boiling point.

The calls for social and religious change were a major part of antebellum America.

The causes of the Civil War are both numerous and complex in nature.

Lincoln was determined to save the Union at all costs.

The American Civil War left a bloody and painful legacy that still endures today.

Reconstruction was a painful government failure that resonated into the Civil Rights movement of the 60s.

The Federal government's sponsorship of westward expansion has reaped huge bounties both economically and geographically.

Essential Questions

How did geography affect an American's beliefs and values?

Why were the reform movements of the 1830s the grandparents of the social unrest of the 1960s?

What might be the causes of this period's religious fervor?

Why were slave rebellions not more frequent?

How much did popular culture move the nation closer to war?

How did Lincoln bend the Constitution in order to save it?

What caused the North to win and the South to lose?

What did Reconstruction cost and did it fail?

How was the West “won”? Who were the losers?
