Describe the motivations behind athletic competition.  
Relate the Civil Rights Movement to integration in sports.

## Standards

---

SOC.6.1.12	U.S. History: America in the World: All students will acquire the knowledge and skills to think analytically about how past and present interactions of people, cultures, and the environment shape the American heritage. Such knowledge and skills enable students to make informed decisions that reflect fundamental rights and core democratic values as productive citizens in local, national, and global communities.
SOC.6.1.12.D.5.d	Relate varying immigrants' experiences to gender, race, ethnicity, or occupation.
SOC.6.2.12.D.5.c	Assess the influence of television, the Internet, and other forms of electronic communication on the creation and diffusion of cultural and political information, worldwide.
