Standards

CRP.K-12.CRP1.1

Career-ready individuals understand the obligations and responsibilities of being a member of a community, and they demonstrate this understanding every day through their interactions with others. They are conscientious of the impacts of their decisions on others and the environment around them. They think about the near-term and long-term consequences of their actions and seek to act in ways that contribute to the betterment of their teams, families, community and workplace. They are reliable and consistent in going beyond the minimum expectation and in participating in activities that serve the greater good.

CRP.K-12.CRP2.1

Career-ready individuals readily access and use the knowledge and skills acquired through experience and education to be more productive. They make connections between abstract concepts with real-world applications, and they make correct insights about when it is appropriate to apply the use of an academic skill in a workplace situation.

PFL.9.1.12.D.4

Assess factors that influence financial planning.

PFL.9.1.12.E.5

Evaluate business practices and their impact on individuals, families, and societies.

PFL.9.1.12.F.5

Compare and contrast the role of philanthropy, volunteer service, and charities in community development and quality of life in a variety of cultures.
