# **Unit 10: Culinary career education**

Content Area:	Language Arts Literacy
Course(s):	Culinary Arts
Time Period:	June
Length:	8 blocks
Status:	Published

## **Enduring Understandings**

Each job, career and profession has a set of preparation requirements, career exploration experiences and opportunities for personal and professional growth and satisfaction.

Recognize that changes in technology, society, and economy require updated knowledge and skills throughout life.

Recognize the need for respect, openness, and acceptance of all human diversity

Understand the need for, and advantages of, lifelong learning.

Individuals have important rights and responsibilities as citizens in the work place.

Personal actions today and tomorrow may have an effect on future employment.

Personal attitudes, behaviors, knowledge and skills promote self awareness, personal responsibility and selfdirection.

### **Essential Questions**

How do I prepare and make choices for a career?

How do I determine what career choices will fit my personality, interests, and talents?

How can I find out about the career opportunities and experiences available in the food, nutrition, food science and business fields?

Why do I need a career plan?

How do I become a good employee?

How do I learn to respect differences in others and work with others I may not like?

How does work ethic affect my success in the workplace?

Why do people need to get along in the workplace?
