Enduring Understandings

Reading is a process by which we construct meaning about the information being communicated by an author within a print or non-print medium.

By telling thoughtful stories, we clarify our own thinking about what we have learned to share with others in a profound way that sticks with us over time.

Essential Questions

What are story pages?

How do story pages contribute to our society?

What should be taken into consideration when trying to make a compelling story?

What story will I use when creating my story pages?

Content

Vocabulary:

Storyboard, exposition, character, conflict, resolution, climax, sequencing, composition, focal point, plot, symbolism, foreshadowing, flashback, atmosphere, plot twist, depth of field.
