

Unit 09: Life-size Character Creations

Content Area: **Technology**
Course(s):
Time Period: **June**
Length: **3 weeks**
Status: **Published**

Enduring Understandings

Character creation is based on personal **experience**, prior knowledge, literature and **imagination**.

Training in motion and communication is necessary for successful drama presentations.

Essential Questions

What character will I create as a life size model?

Where in our society are models like these used?

What technical aspects will I need to know to successfully create a life size model?

What affect do life size models have?

Content

Vocabulary:

Terms that pertain to custom printing using the Hewlett-Packard wide-format printer and the Xerox color printer.

Skills

Students will work as a group to compare and contrast the characters in their comic book to decide which character would be considered the lead character.

Students will rank all characters in their comic books and select a subset of them to enlarge for this unit.

Students will successfully reflect technical skills in Photoshop, on-scale enlargements, and printing.

Resources

Standards
