

Unit 09: Create advertising arts through package design

Content Area: **Technology**
Course(s):
Time Period: **May**
Length: **10 Blocks**
Status: **Published**

Transfer Skills

Students will work as a group to create an advertising campaign for a single product or service which will include business description, logo, magazine advertisement, brochure, and 3D package design.

Enduring Understandings

Describing and analyzing the mass media will raise awareness of its common myths and misconceptions.

Combining the use of Photoshop, InDesign and Illustrator provides design flexibility.

To successfully communicate a concept or idea when working with a client or team, one must create sketches, composite layouts, CMYK color schemes, specific fonts, and apply the principles and elements of design.

Essential Questions

How can observing and critiquing enhance our knowledge of what's around us?

How does package design affect what we buy?

How do package colors, shapes and fonts subliminally affect purchase decisions by consumers?
