

# Unit 05: Developing a Plan for Success

Content Area: **Technology**  
Course(s): **Yearbook Production 1**  
Time Period: **January**  
Length: **10 Blocks**  
Status: **Published**

## **Enduring Understandings**

---

Students will learn how to develop personal venues of visual communication.

Yearbook coverage should be:

Student Life 25%, Organizations 12-15%, People 25-30%, Academics 12-15%, Sports 15-18%, Community 5%.

Meeting deadlines requires planning and cooperation by all members of the team.

## **Essential Questions**

---

How can I extract essential information from a student for yearbook profiles?

How can I develop skills for captivating headlines and captions?

How do I organize, evaluate, and present my own work?

What do I want to accomplish with new graphic design skills?

How do I go about deciding what is successful and unsuccessful visual communication?

## **Content**

---

Vocabulary:

Depth of field, focus, symmetry, asymmetry, focal point, positive and negative space, file formats, tagging,

flowing files, headings, subheadings, lead-in, import.

## **Skills**

---

Develop awareness of broad profile of the reader audience.

Demonstrate proficiency in editing of copy and preparation for production, including copy fitting.

Display body copy that has incorporated the 5 W's and H.

Achieve each production deadline.

Apply knowledge of camera operations to create properly exposed and focused photographs for use in yearbook.

Develop master designs for each section, graphic elements for each section, determine story ideas, and determine photo ideas for successful creation of the yearbook.

Train, supervise, and assist staff members in the use of materials and production tools.

## **Resources**

---
