

# Unit 08: It is all in the Details

Content Area: **Technology**  
Course(s): **Yearbook Production 1**  
Time Period: **April**  
Length: **8 Blocks**  
Status: **Published**

## **Enduring Understandings**

---

The best designs are a perfect blending of your concept, design tools, creative ideas, content quality, and most importantly the benefit to the audience.

Begin any project with a brainstorming session to determine who the audience is, what they want and need, and how to best relate your material to the reader.

A graphic artist's inspiration is a blend of experiences and influences.

## **Essential Questions**

---

How can we use specific tools, techniques and materials to create a particular style?

How can interest and energy be added to a layout through the use of headlines and sub headlines?

How does knowing the elements and principles of design impact how you see and feel?

What is the best media for communicating a particular idea or emotion?

## **Content**

---

### **Vocabulary:**

Placement, focus, visual direction, cohesive, criticism versus critique.

## **Skills**

---

Effectively relate text and image to each other to create a cohesive work.

Demonstrate knowledge of guidelines for focus, contrast, and composition in order to produce prints of acceptable quality.

Demonstrate proficiency in presenting the elements of page design in a logical manner to achieve a planned look when designing the yearbook.

Apply organizational skills to meet all deadlines when creating the yearbook.

Train, supervise, and assist staff members in the use of materials and production tools.

## **Resources**

---

## **Standards**

---
