Transfer

Making connections to interpret visual literacy.

Enduring Understandings

The arts serve multiple functions: enlightenment, education and entertainment.

The point of studying the arts is to foster meaning making, deeper emotional response and more inventive decision making.

Aesthetics fosters artistic appreciation, interpretation, imagination, significance and value.

Though the artist's imagination and intuition drive the work, great art requires skills and discipline to turn notions into a quality product.

Essential Questions

Why should I care about the arts?

What is art?

What's the difference between a thoughtful and a thoughtless artistic judgment?

Where can we find art?

Why create art?

How do people create art?

How does art reflect as well as shape culture?

How do underlying structures unconsciously guide the creation of art works?

Does art have boundaries?
