Status: **Published**

Enduring Understandings

Big Idea: The business of Jewelry: The Impact of visual display and advertising

Successful branding and marketing promotes sales.

Visual brand identity created through successful business cards, jewelry display, and packaging enhances an artists style clientele

Online, creative stores for artisans are growing rapidly.

Video, online tutorials and interactive learning sites are a wide open market and alternative learning opportunity

Essential Questions

Who is my target jewelry market?

Does my logo and business identity accurately reflect the style of my work?

What role does graphic design play in consumers' choices?

What would make a tutorial video interesting?

What skills I am I confident and proficient in to share with the world?

What venue will I use to publish and promote my tutorial?

How does copyright and intellectual property laws effect design and corporate jewelry sales.

What are the aesthetics for a successful video tutorial?

Am I ethically correct and original in my designs for sale?
