Transfer Skills

Food and Feasts

(Identifying food and exploring cultural celebrations)

Enduring Understandings

Learning a different language/culture leads to greater understanding of one's own language and culture.

Language learning involves acquiring strategies to fill communication gaps.

Cultural perspectives are gained by using the language and through experience with its products and practices.

Geography influences our society and its institutions.

A variety of activities are important in our community.

Essential Questions

How can I become a more effective reader, writer, speaker and listener in languages other than English?

How does the language I'm studying help me to better understand my native language?

What can I already communicate in my new language?

How do I schedule meetings with friends and family?

How does culture influence food choices?

What types of places are integral parts of my community?

Can a food define a culture?
