Unit 1: The Household

Content Area: **World Languages**
Course(s):
Time Period: **September**
Length: **10 blocks**
Status: **Published**

Transfer Skills

The Household: Identify the members of the Roman family as well as the different rooms in the house.

Enduring Understandings

A shared or common language helps a community function effectively and productively.

By understanding the structural patterns of a language, we discover the rules and principles of that language to respond to new or unanticipated situations and settings.

Classical and modern languages provide a connection to the ancient world and other eras throughout history, linking the past to the present.

Exploring the perspectives, practices products, and languages of different cultures provides insight into one's own culture, and contributes to one's understanding of the diversity of other culture in a global society.

Essential Questions

How can language unify a community?

How does language affect a community?

Why do we need to connect various eras in world history?

What can we learn about our own culture from studying another?

How can language and culture influence our lives?

What can we learn about modern family structure by studying ancient Roman family structure?

Content
