Unit 3 - Haruspex: Roman Religious Beliefs

Content Area: **World Languages**
Course(s): **Latin 3 CP**
Time Period: **November**
Length: **9 blocks**
Status: **Published**

Enduring Understandings

The respect shown to diviners and soothsayers in ancient Rome reflects how the Romans viewed the future.

The diversity of Roman religious practices is comparable to the variety of religions in modern multiethnic societies.

History gives a benchmark to critique the present.

Retaining the benefits of language study requires regular review and steady exposure.

Clarity of thought and ability to reason are drastically improved and developed through in-depth exploration of the Latin language.

.

Essential Questions

What important role did the Roman state religion play in the Romanization of the provinces of the empire?

How did the Romans' beliefs in predicting the future help mold the empire?

How are cultural perspectives (attitudes, values and beliefs) reflected in a culture’s products and social practices?

How are languages other than English used to communicate?

How does the language I am studying help me to become a more effective reader, writer, speaker and listener

in English (specifically, using participles and the comparison of adverbs)?
