Transfer Skills

Why are people called "Hispanics"

How is my life different than immigrants?

Present and support and opinion

Enduring Understandings

Successful communication is knowing how, when and why to convey a message to different audiences.

Language learning involves acquiring strategies to fill communication gaps.

The content of the world languages classroom encompasses the entire learning experience.

Learning a different language/culture leads to greater understanding of one's own and other languages/cultures and why people think and act in different ways.

Language reflects and is influenced by the culture in which it is found.

Cultural perspectives are gained by using the language and through experience with its products and practices.

Members of one culture may make assumptions about other cultures based on their own attitudes, values and beliefs.

Essential Questions

How do I develop communicative competence?

How do I know that I am getting better in using language in real-world situations?

What strategies do I need to communicate in linguistically and culturally appropriate ways?

When does accuracy matter?

How does the content of the world languages classroom help me understand who I am and the world in which

I live?

How does content help me respond to important questions that extend my learning beyond the classroom?

Why do people from different cultures sometimes say, write and do things differently from the way I do them?

Successful communication is knowing how, when and why to convey a message to different audiences.

Language learning involves acquiring strategies to fill communication gaps.

The content of the world languages classroom encompasses the entire learning experience.

Learning a different language/culture leads to greater understanding of one's own and other languages/cultures and why people think and act in different ways
