Transfer Skills

Tourism & travel: TLW describe methods of transportation and vacation activities while exploring the Hispanic world through its architecture, history, geography, art and culture

Enduring Understandings

Language learning involves acquiring strategies to fill communication gaps.

Cultural perspectives are gained by using the language and through experience with its products and practices.

Learning a different language/culture leads to greater understanding of one's own language and culture.

Weather and geography affect the activities available to tourists.

One can learn about another culture and language and understand its beliefs and customs through traveling there.

Essential Questions

How can I become a more effective reader, writer, speaker and listener in Spanish?

How can I use context clues and key phrases to infer meaning of new words?

What are some popular destinations and popular activities to do while on vacation in the countries of the target language?

How are common travel practices in my country similar and/or different to the travel practices in other countries?
