## Transfer Skills

---

Entertainment and free time: TLW compare leisure activities among different cultures including their own.

## Enduring Understandings

---

Language learning involves acquiring strategies to fill communication gaps.

Cultural perspectives are gained by using the language and through experience with its products and practices.

Learning a different language/culture leads to greater understanding of one's own language and culture.

Geography and tradition influence our society, its institutions and products.

One can learn about another culture and language and understand its beliefs and customs through the peoples' free time activities

## Essential Questions
