

Unit 2 - Technological systems influences

Content Area: **Technology**
Course(s): **Computers 6**
Time Period: **October**
Length: **5 Weeks**
Status: **Published**

Transfer

Technological systems influences

Enduring Understandings

Scientific and technological developments affect people's lives, the environment and transform societies.

Progress is defined by cultural interpretation.

Essential Questions

Is new technology always better than that which it will replace?

How do new technologies result in broader social change?

How do the various levels of technological developments affect different cultures?

To what extent does the user properly affect and influence the technology development?
