*Thinking about vacation plans, talking about daily routine, and talking about a typical day.*

*Talking about vacation activities and buying souvenirs.*

## Enduring Understandings

---

Learning a different language/culture leads to greater understanding of one's own language and culture.

Language learning involves acquiring strategies to fill communication gaps.

Cultural perspectives are gained by using the language and through experience with its products and practices.

The choices we make each day can positively or negatively affect our health.

## Essential Questions

---

How can I become a more effective reader, writer, speaker and listener in languages other than English?

How does the language I'm studying help me to better understand my native language?

What can I already communicate in my new language?

What contributes to good hygiene?

Where do you like to go and what do you like to do during vacation?

How is transportation important to a country?
