What is a Myth?

Enduring Understandings

Legends are traditional stories based on historical figures and usually exaggerate or super naturalize heroic deeds

Myths are ancient stories whose authors are unknown that attempt to explain a belief, custom, or force of nature by telling of gods and goddesses and their interventions in the lives of mortals.

Understanding the legends and myths of a particular society helps one understand and relate to that society's culture and history

Stories that are passed on through the oral tradition illustrate culture while also helping to shape culture.

Essential Questions

What are legends and myths?

In what ways are stories that come from oral tradition different from written stories with a specific author?

How do the traits of a legendary hero exemplify the values of the culture from which the legend originated?

In what ways do myths illustrate the belief systems and customs of the cultures that create them?
