5th Grade Performing Arts- The World of Theatre

In 5th Grade, students will discover why theatre is part of what makes us human. Theatre gives our lives meaning and helps discover who we are. We will explore the basics of the stage, beginning theatre games and the art of body language, vocal and physical warm up activities, and even first level technical theatre elements. Students will also begin to explore the Theatre History time line with investigation of the Ancient Greeks and Romans, Renaissance, and Shakespeare. Students will apply skills and knowledge of this course to developing themselves as individual artists and ensemble members.
