Roman Civilization: Scope and Sequence

Content Area: **Social Studies**
Course(s): **Humanities**
Time Period: **One Semester**
Length: **1 semester**
Status: **Published**

Course Overview

In "Roman Civilization," students will become familiar with the ancient Roman world and its lasting ideas primarily through the study of Rome's literature. Coursework will require reading, discussion, and synthesis of ancient and modern works. Students will be expected to have an interest in learning about the ancient world and its relevance to modern life. Topics include Roman government, history, virtues, legacy, philosophy, daily life, theater, art, and architecture.
