

Grade K - Foundations - Word Work

Content Area: **English Language Arts**
Course(s): **English Language Arts**
Time Period: **Full Year**
Length: **Full Year**
Status: **Published**

Overview

As part of the district's balanced literacy program of Reader's Workshop, Writer's Workshop, interactive read alouds, shared reading, and shared writing, Foundations provides the critical word work component that helps students become phonemically aware of the words that they are reading and forming. The skills that students learn in word work will be used across the day in other content areas and serve as a solid foundation for their literacy.

The Foundations program is consistently taught from grades kindergarten through fourth grade, thereby ensuring a smooth continuum of skills development for students as well as a consistent language for instruction across the grade levels.
