Course Overview

The Kindergarten Health Curriculum is focused on providing students with an introduction to healthy habits that will serve them throughout their lives. The first unit introduces students to the concepts of healthy eating habits, ways to stay safe, and resolving conflicts between students. The second unit extends the healthy habit theme by making students aware of some unhealthy practices such as smoking and pollution and the way that this has an effect on people and the environment.

Scope and Sequence

Order of the Unit	Title of the Unit	Time Frame
Unit 1	Fall/Winter	18 Weeks or Marking Periods 1 and 2
Unit 2	Winter/Spring	18 Weeks of Marking Periods 3 and 4
