Course Overview

The Preschool curriculum is made up of 6 units: Beginning of the year, Fall, Winter Wonderland, Investigating Our World, Spring, and Little Scientists. Each unit contains topics with similar themes and includes holidays and events that will occur during the time period for each unit. Each topic last 1-2 weeks with literacy, mathematics, science, and social studies content integrated into the lessons and activities. Each unit outlines when to cover specific letters, numbers, concepts, colors, shapes, and social skills that best fit the themes and studies.
